

Vacancy

Associate Director/Technical Director/Director (Civils)

Opportunity

Are you a drainage/infrastructure engineer looking to take the next step in your career?

We are seeking an experienced engineer to provide technical leadership and to help deliver an ever increasing workload. We expect to appoint at an Associate Director, Technical Director (Civils) or Director level depending on experience.

This is a great opportunity to join a successful independent company with ambitious plans for growth and an exciting range of projects. If you would like to join our team, help deliver and develop our business and share the rewards it could bring, please apply without delay.

Where

London, Leeds or Mold

About Us

Established in 1998, Weetwood is a dynamic and growing consultancy that delivers flood risk, drainage and utilities solutions for property developers, investors, house-builders and private clients. We work on sites from initial site appraisal, through the planning process to site delivery.

Our range of services includes Flood Risk/Consequences Assessments, Drainage Design and SuDS, Environmental Impact Assessments, Utility Assessments, Due Diligence, Expert Witness and Planning Appeals. In delivering our services we work with architects, planning and property consultants and other professional disciplines.

Our projects cover developments across all sectors including retail, residential, industrial and leisure. The schemes vary in size depending on the client; we are currently working on residential development projects of up to 4,500 properties.

We have offices in London, Leeds and Mold (NE Wales) and work on projects across England, Scotland and Wales.

About You

You will have at least 5 years UK experience of designing surface and foul water drainage schemes for planning applications, discharge of planning conditions, adoption through Section 38/102/104/106 agreements and ideally for tender/construction using Micro Drainage and AutoCAD.

Salary

We are looking for candidates to apply that have confidence in their own technical abilities and are offering a salary of up to £50K, depending on experience and location plus a discretionary annual bonus.

More Info

Further information about Weetwood can be found at our website www.weetwood.net. If you wish to discuss the opportunity prior to submitting an application, please call Kevin Tilford (Leeds) on 0113 244 1377 or Andrew Grime (Mold) on 01352 700045.

Apply

Email a CV and brief covering letter to careers@weetwood.net.

When

We are looking to appoint as soon as soon as possible.
