

## Flood Risk Consultant Opportunities

**Opportunity** Weetwood is always looking to recruit ambitious and talented individuals with a passion for flood risk management. We will consider applications from candidates at all levels of experience, and will also consider any location

**Expertise** Relevant experience will depend on the individual but we are interested in people that can fulfil *some* of the following criteria:

- Experience of working in the UK development sector
- Consultancy experience
- Experience of 1D/2D modelling of watercourses using Flood Modeller or Estry, and TUFLOW
- Hydrological modelling using the Flood Estimation Handbook
- Proficient in the use of AutoCAD
- Design of drainage schemes using MicroDrainage or Causeway Flow
- Experienced in undertaking flood risk assessments

**About** Weetwood provides a range of flood risk and drainage consultancy services through the full project lifecycle, from due diligence, site appraisal and site promotion through planning to construction.

Our services include undertaking flood risk assessments, preparing surface and foul water drainage strategies, preparing detailed drainage designs, undertaking sequential, exception and justification assessments, preparing flood warning and evacuation plans, and undertaking Environmental Impact Assessments, and Sequential Assessments.

Our projects span many sectors and range from small private developments to large strategic sites.

We work for some wonderful clients and provide a nationwide service to property developers and investors, house-builders, insurers, legal firms, planning consultants and architects, technical consultants and private clients. We operate flexibly from offices in Mold, Leeds and Belfast and have fully embraced flexible working.

We are committed to continuous improvement, innovation, client service, and sustainability and hold ISO9001 and ISO 14001 certification. Our business is underpinned by core values relating to sustainability, business ethics, investment in people, and high quality service delivery. We also support a number of charities through a staff led donation scheme.

We are a successful, friendly, independent company with an excellent reputation.

**If you are interested in joining Weetwood and think Weetwood might be for you, please do not hesitate to get in touch. We are more than happy to have an informal chat to explore things further.**

**Salary** We offer a strong benefits package, competitive salary, total commitment to learning and professional development, rapid career progression, and completely flexible working. Location is not a constraint and applications from candidates anywhere in the UK and Eire would be welcomed.
